## FORD MOTOR COMPANY'S LIVING LEGENDS TOUR

• Mrs. CARNAHAN. Mr. President, I would like to take this opportunity to recognize Ford Motor Company's Living Legend Tour featuring the new 2002 Thunderbird and the Mustang Bullitt GT. These Ford vehicles will drive across Missouri from July 18-20, allowing Missourians to view them. Ford Motor Company and its employees, including the men and women of the United Auto Workers, have been instrumental in keeping Missouri's economy strong and our communities prosperous. More than 8,000 Missourians are employed in Ford assembly plants, credit locations, and dealerships across the state. We are gifted with a strong automotive industry in both the Kansas City and St. Louis areas.

In addition, at each stop along this tour, Ford is raising money for the Missouri Children's Trust Fund, which is a nonprofit organization started by the state legislature in 1983. This organization provides education and training to reduce abusive situations for

children, while creating a friendly environment for them to thrive.

I am very pleased to welcome this automobile tour to Missouri to demonstrate the quality of these vehicles and highlight the hard work and the generosity of Ford's Missouri employees. Thank you to all Ford employees across the State for making me proud to be a Missourian.●

## HONORING INDEPENDENCE, MISSOURI AS AN ALL-AMERICAN CITY

• Mrs. CARNAHAN. Mr. President. I am proud to take this opportunity to honor a very special place in Missouri. On Saturday, June 23rd, Independence, MO, the hometown of Harry S. Truman, was selected as an All-American City. The All-American City Competition is the Nation's oldest award for civic accomplishment. The winning cities serve as "models of exemplary grass-roots problem solving."

A 51-member delegation of business interests, community leaders, and nonprofit organizations came together to lead Independence's participation in the competition. While community partnerships are sprouting up in cities across America, Independence is in a league of its own. Under the leadership of Mayor Ron Stewart, Independence has achieved a real sense of unity and community. So many different entities with widely divergent interests were recognized for their ability to successfully work together when faced with civic challenges.

Independence's winning presentation, appropriately themed "Together We Can," highlighted recent citywide improvements such as cleaning up the historic Truman district, a sales tax approved by the voters to repair streets and parks, and the William Chrisman High School program which involved youth in public service programs. Furthermore, even Independence's physical presence at the competition was a united effort. Community groups worked together to raise funds to pay for the trip and prepare the presentation. This truly exceptional community certainly deserves its prestigious recognition as an All-American City.

Congratulations to Mayor Ron Stewart, participation coordinator Larry Kaufman, the delegation, and the residents of Independence. Your passionate work epitomizes the unlimited possibilities of cooperation. Thank you for making me proud to be a Missourian.●
